**Seahorse** is a company owned by the professionals who have proved their mettle in the field of Industrial Trading & related services.

Back in 2002, when the company has started its operation in Door hardware trading, it was a part of an Architectural & Structural Steel Company. Later in 2008, It purely became an independent company with more products in the portfolio, keeping the sponsorship unchanged. We have the most experienced & motivated trained Engineers, Technicians, Foreman & workers in our team which keeps the company in higher position in the market since its beginning with a lot of landmark projects in our credit.

Seahorse was founded in Doha Qatar with an aim of meeting the growing demand for the engineered and finished products. We are specialised in the supply & installation of the Fire rated & Non Fire rated Wooden & Steel Doors, Blast Resistant Doors, Bullet Resistant Doors, Architectural Ironmongery, Automatic Sliding Doors, Swing Doors, Revolving Doors, Industrial Rolling Shutter, Sectional Overhead Doors, Access Panels, Locker, Kitchen Cabinet, Built in Wardrobes, Loose Furniture for the Industrial, Commercial, Residential, Security & any other special projects.

## 02 Company Profile

**Seahorse** is a corporation who has proved over the years its ability to deliver excellence in the field of Industrial trading and related services. Even though Seahorse began its operations as part of the Architectural and Structural Steel Fabrication Company in 2002, its standalone operations began as early as 2008. Incorporated in Doha, Qatar, Seahorse is today one of the leading players in its chosen businesses.

Seahorse was founded with the aim of meeting the growing demand for engineered and finished products. From its early days, the company laid emphasis on the principle of building and implementing business ideas that drive progress for clients. In the almost twelve years of operations, it has in its credit many landmark projects from some of Qatar's biggest corporate clients like -

- WAKRA Hospital (HMC)
- Barwa City phase I
- Hamad International Airport
- Hamad Bin Khalifa Medical City ( CP 300B)

Seahorse's services are available to clients from the design stage up to handover of projects. It also builds beneficial and professional relationships with consultants, architects, contractors, thus adding immense value to the client. Seahorse was early to recognise that 'After Sales Service' is the backbone of any successful company. Its full-fledged, well-equipped service centre with professional manpower provide prompt after sales service to customers. It prides the fact that a service call in and around Doha is attended to and solved in less than 2 hours.

One of the features that differentiate Seahorse from competition is the fact that it manages, distributes leading global brands from Malaysia, Korea, Spain, Denmark, Germany, Switzerland, UK and USA.

Quality certifications such as ISO certifications and Qatar Civil Defence Approval only show how far the company has progressed. It shows the level of importance to the Quality and Security.

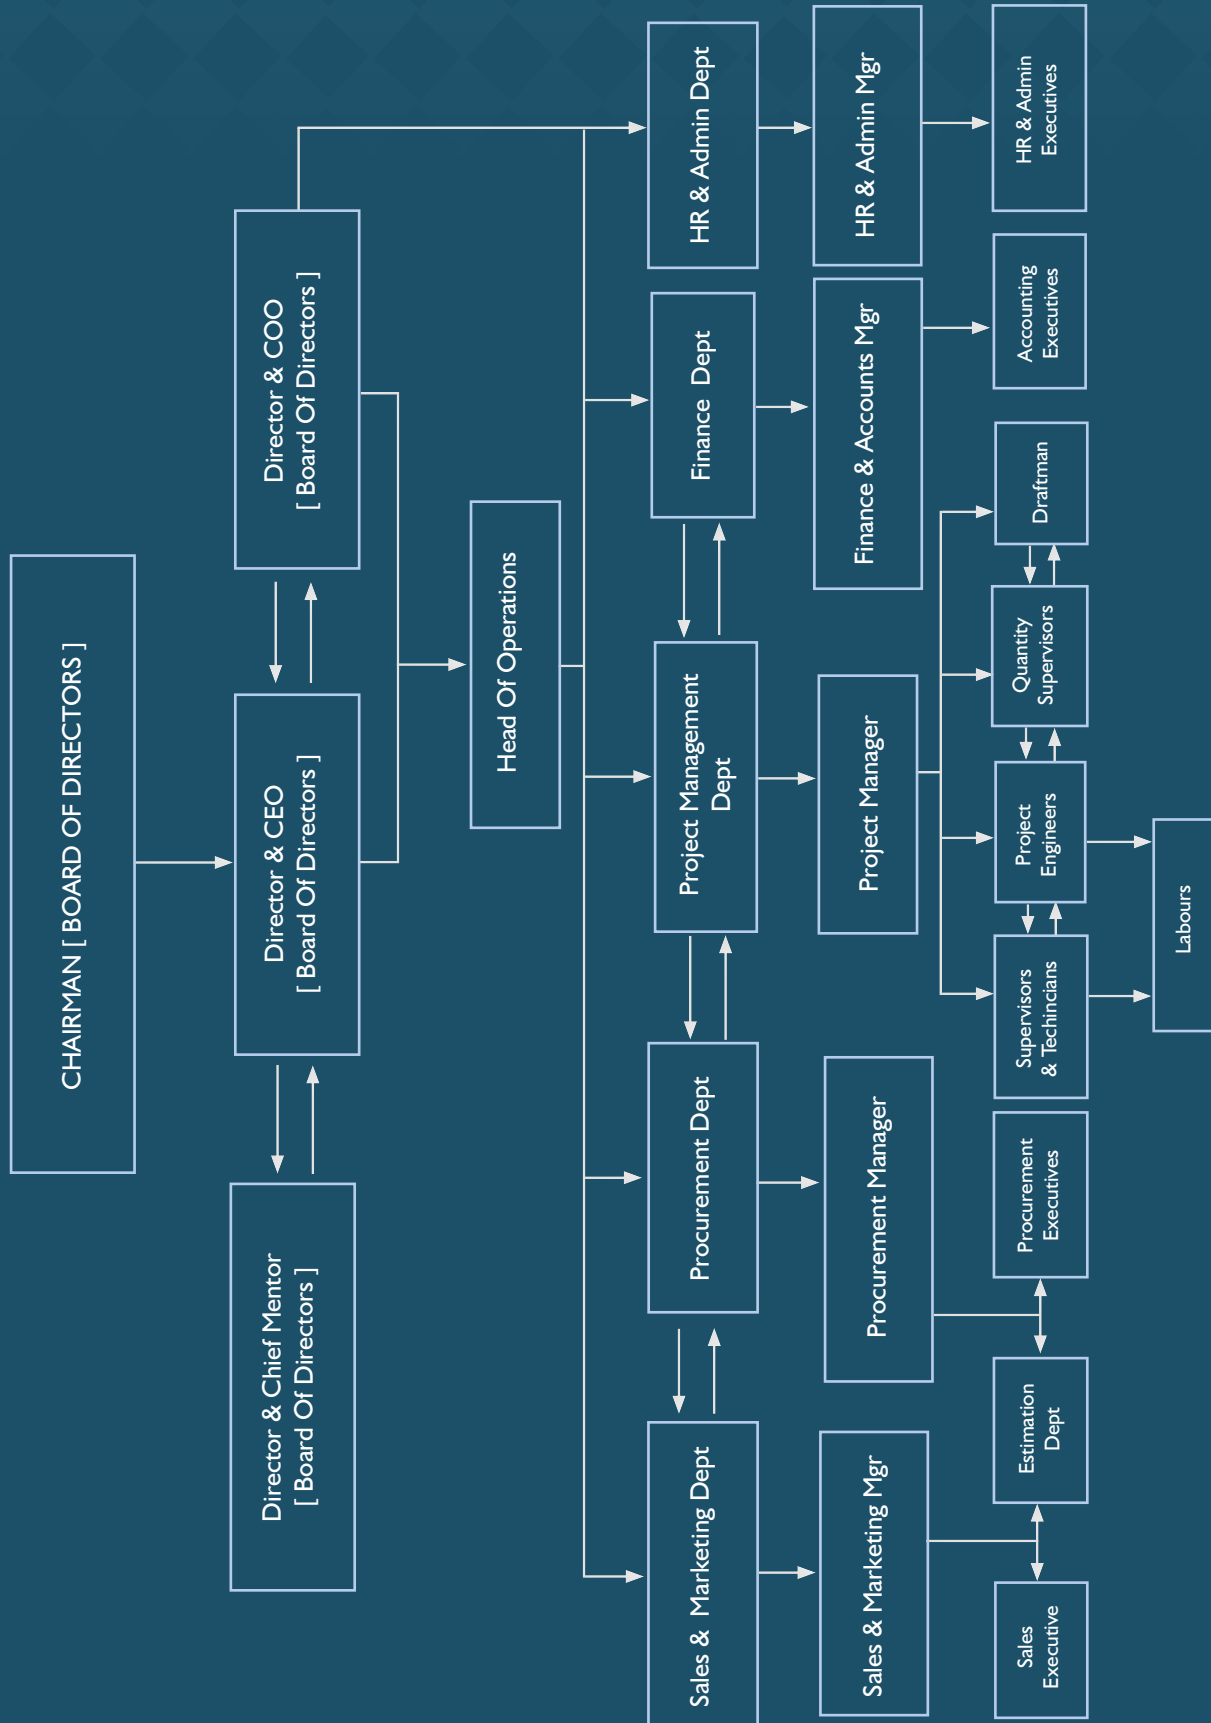

Seahorse's passion to deliver the best to its clients has been unwavering in all these years. Its "Customer Before Anything" attitude, its support of powerful global brands, a well-experienced workforce and its continuous effort to excel keep Seahorse at the very cutting edge of service and professionalism.
